CUSTOMER TESTIMONIALS Monica Pivetta, Unveiling Life International www.unveilinglife.ca

"You have made a great contribution in helping us bridge the gap between 'traditional' websites to a 'content managed' website.

We are **tremendously happy with your work** and **immediate attention** when questions arise.

We thank you for making it happen!"

Werner Peters, Westmount Park Ministries www.westmountparkchurch.org

"The hardest part of having a web presence is maintaining it and staying fresh.

After years of struggling with our website in-house, we recognized that we needed a better system.

I happily and unreservedly endorse and recommend Ecclesiact® for all your church web-site needs."

Paul preached:

“Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.” Col 3:23-24
