

"Whatever you do, work at it with all your heart, as working for the Lord, not for men, since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving" - Col 3:23-24

We hope you're enjoying the Summer as much as we are!

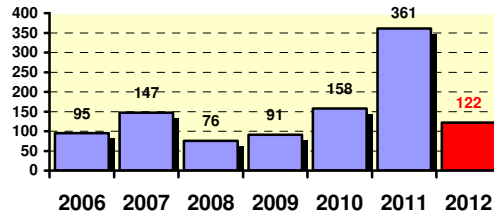

We're now into our seventh year with **Ecclesiact®** and our mission to **help churches work together as the Body of Christ** has gained a lot of interest in recent months.

We've exhibited at **Newmarket Prayer Breakfast** and at **MissionFest Toronto**, and were invited to become ministry partners of **Transformation Canada** - this has afforded us the opportunity to speak at three regional conferences on spiritual transformation in Southern Ontario.

New Software Releases:

We have been spending more time on business development lately, but we've still managed to squeeze in time to deploy 122 update packages for **Ecclesiact®** so far.

New Features (since January):

1. **Administrator 'Proxy'** lets site admins instantly sign in as any user to help them view issues from the end-user's perspective. *Requested by Debbie*

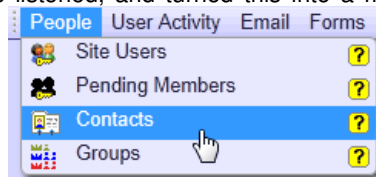

2. **'View on map'** feature lets admins select users or contacts and view them on a map: *Requested by Martin*

3. **Admin toolbar... gone!**

As more features were added the old admin toolbar was getting a bit out of hand. We listened, and turned this into a menu:

Requested by... EVERYONE!
